Day 1: 10 Jul 2023

🟨 break 🟧 Input/Briefing 🟥 Presentation 🟦 Networking 🟩 Project Team Activity 🟦 Wrap Up

TIME		NOTES
09:30	**Registration/ Breakfast**	
10:00	**Session 1: Introduction: Wellcome Formal**	The Wellcome Ideathon team will welcome you to the event, provide any essential domestic information and introduce the event team to you.
10:10	**Session 2: Wellcome: Why an Ideathon and the Wider Wellcome Ambitions for Health Themes**	A short presentation from the Wellcome senior team to explain the rationale for the Ideathon. There will be short presentations from Wellcome team members on the three health themes.
10:40	**Session 3: Data Science and Health - Community Building**	You will have conversations in a series of structured networking conversations in small groups of up to 5 people. You will be asked to share your thoughts about your research area in these groups: 1. What attracted me to my specialist area? What do I find most stimulating about it? 2. What do others get wrong about my area of work? What are the assumptions that I am always having to correct? 3. Where is the potential for my area of work to contribute to the three health care challenge areas? You will have the option of moving groups for each question so that you get to know more people in the room and share different ideas. These are informal conversations and there will be large group plenary feedback. Virtual participants will not join this session but are encouraged to reflect on these questions.
11.30	**Break - Reflections**	A chance to take a break and reflect on the morning activities.
11:30	**Session 4: Insights from Policy and Lived Experience Experts**	In this next session, your group will be able to gain insights from people with expertise and experience in the three areas of our call.

		Each of our experts will be hosting a Q&A session in one of the breakout areas, and we invite your team to prepare questions and deepen your understanding.
13:00	**Lunch**	
14.00	**Session 4: Continuation**	
14:30	**Session 5 Working Activity on Project**	Your teams will develop your submission making good use of the input from the presentations and questions/answer sessions
15:00	**Break**	
15:20	**Session 6: Project Team Roles**	Each of you will have a clear role in your project team. In this networking activity, you will work with others from different teams to share your roles and contributions and consider how best to explain complex roles in limited time to others. 1. How do you explain your role in your project to others? 2. What are your unique contributions? 3. How do your skills combine with others in your team to make strong scientific research teams? Virtual participants will not join this session but are encouraged to reflect on these questions.
15:55	**Session 7 - Reflection on Roles and on engagement with external advisors to strengthen submissions**	You will return to your teams and capture your learning about the project, engagement with other stakeholders and the role communication activity and agree any action points to strengthen this aspect of your submission.
16:10	**Session 8: Submission Development Time: in project teams**	Time for your team to further develop your submission documentation
16:50	**Wrap Up and Plans for Day 2**	The Ideathon Team will highlight plans and timings for the rest of the day and for tomorrow
17:00	**Informal Networking**	An opportunity to continue to develop conversations with others in your team, people from other teams or colleagues from the wider Wellcome Team. There will be food available from 17.30, with take away options available

Day 2: 11 Jul 2023

🟨 break 🟩 Project Team Activity 🟧 Input/Briefing 🟦 Networking 🟪 Presentation 🟦 Plenary

TIME	TITLE	NOTES
09:00	**Arrivals/Breakfast**	
09:30	**Session 1: Develop Your Project**	Time for your project team to further develop your submission using your reflections from yesterday and capturing any new ideas or insights that have emerged.
09:55	**Session 2: Wellcome Scene Setting**	A short introduction from the Wellcome Ideathon team with reflections from yesterday and plans for today
10:05	**Session 3: Equality Diversity and Inclusion (EDI) and Open Science**	After a short introduction by the Research Environment and Culture, Equity, Diversity, and Inclusion Teams you will work in small groups exploring the links between research culture and your project /research.
		These are the questions you will explore.
		• Why is your research/project relevant to the wider data science community? • Why is your research/project novel in this field of data science? • Why would open science and EDI be important to your project/research?
		There will be no presentations in plenary.
		Virtual participants will not join this session but are encouraged to reflect on these questions.
10:50	**Break**	
11:10	**Session 4: Working on Submissions and Developing Pitches**	During this period there will be an optional workshop session for Student Teams on pitching skills run by the Wellcome team, and we invite each student team to send one representative to gather tips.

		The facilitation team are also available to give feedback on your practice pitch sessions
12:00	**Session 5: Insights and Current Thinking from Data Science Leaders**	A series of short presentations and a panel discussion with Q&A about current thinking in data science. You will be able to submit questions to the speakers using Slido
13:00	**Lunch**	
14:00	**Session 6: Visions for our Projects**	You will be able to work with your peers from other groups and share your aspirations and visions for your projects. • What would the world look like if your project was successful? • What would it look like for an individual if your project was successful? Virtual participants will not join this session but are encouraged to reflect on these questions.
14:35	**Session 7: Information Session on Assessment Criteria and Assessment Panel**	Information session by the Wellcome Team about tomorrow
14:55	**Break**	
15:20	**Session 8: Preparing Submissions**	Each team must submit submission documents for tomorrow's panel sessions by 17.00. Informal support will be provided to address any concerns about presentations and to provide helpful tips in response to your questions.
17.00	**Submission Deadline**	Submissions must be uploaded **before 17.00**
17:00	**Networking, Reflections and Dinner**	A self-service meal will be available from 17.30 so you can relax and talk with other participants
